L. S. WHITE MEETING CONTINUES WITH GROWING INTEREST

L. S. WHITE, of Wichita Falls

Fine and growing interest has been manifested in the series of gospel services at the Hamlin Church of Christ. L. S. White, minister of the Tenth and Austin Street Church of Christ in Wichita Falls, continues preaching in his characteristic way of earnestness and zeal. His lessons bring messages from the Word of the Lord that are inspiring to those already in faithful service and conducive to turning those to the Lord who are still in the pathway of error.

These services are to continue twice daily through Sunday. The morning service is held at ten o'clock, and the evening at seven-fifteen.

If you have been in attendance at this meeting we urge you to return again, if you have not attended one service we earnestly invite you to come to be with us. Make a sacrifice if necessary, you will not regret it.

Remember the time of each service, remember that the singing is good, that the preaching is fine, and that you are heartily welcome. Come tonight.

WOODIE HOLDEN, Minister.

Miss Mary Beth Moody came down from Texas Technological College at Lubbock to spend Thanksgiving with her parents, Mr. and Mrs. J. E. Moody. Miss Moody is in her first year of college work.

BOYS WANTED

"There will be another enrollment of boys for the CCC Camps during the month of January, according to information just released by C. J. Sweeney, District Administrator of the Texas Relief Commission, with headquarters at Abilene. "To be able to give the War Department information as to the number of boys that will be available, it is requested that all who desire to attend immediately call at their County Relief or Welfare office and leave their names and addresses. Reports on the number of men available must be sent to Washington on Nov. 30, although applications will be taken until December 21. However, some idea must be had as to just how many will be ready to leave when the time comes. This will possibly be the last opportunity for boys to make application for this training, and it is hoped that all who have a desire to attend will lose no time in registering with the least possible delay." HAMLIN PIONEER BURIED FRIDAY

Final rites were said for W. C. (Uncle Bill) Medford, at the Methodist Church at 2:30 last Friday afternoon, in the presence of a large number of old-time friends and neighbors.

Mr. Medford was truly a pioneer, having lived here several years before the town of Hamlin was established. He had been in failing health for several years, and the last year or more was confined to his room. On Monday before his death on Wednesday, he fell at his home and received a severe jar and in his frailty, he failed to rally, and the end came at 4:40 P. M. Wednesday November 18.

William Carrol Medford was born in the state of Mississippi, October 27, 1854, and died November 18, 1936, was 82 years and 22 days of age. He came to Texas in his early life and soon returned to his native state and married Miss Malinda Frances Tapp, and again came to Texas and settled in Bell County. To this union there were seven children, six of whom survive. Their names are as follows: Hally T. Medford, of Hamlin; E. Medford of Tulsa, Oklahoma; Bill Medford of Fort Worth; Mrs. Harold A. Lines and Mrs. Jennie Roquemore of Shreveport, La.; and Mrs. Bettie Allen, of Corsicana. Edna Medford (Mrs. Ossenkop) died in 1922. There are but two grandchildren—Harold Medford, of Hollywood, son of E. Medford, and Mary Frances Ossenkop, of Muskogee, Oklahoma. All the children were here for the funeral but neither of the grandchildren.

Mr. Medford moved from Bell County to Jones County in 1888, and acquired a lot of land in what is now the Hamlin community. He followed ranching and stock-farming for a number of years—then Hamlin was laid out near or on part of his lands and he became interested in boosting the new town and dealing in real estate. One addition to Hamlin is named Medford. He had an ambition to have the main city on his property north of the MK&T railroad, and succeeded in having a number of business houses, and residences built. He built one of the largest frame hotels in Hamlin, on that side of the tracks, also a large two-story home, which still stands as the Medford house. His hotel was later moved down town and a few years ago was destroyed by fire. Mr. Medford always took an interest in the community. He enjoyed filling a place as a part of the law enforcing department. He served as constable for many years, also was on the city council in the early days of Hamlin. Mr. Medford always tried to do his best toward his country and gave liberally of his time and money during his active life. He was a member of the Methodist church.

Funeral services were conducted at the church Friday afternoon, at 2:30 by the new pastor, Rev. H. W. Hanks, assisted by Minister Woodie Holden, of the Church of Christ. The pallbearers were J. J. Waggoner, Joe P. Morgan, D. O. Sauls, Clyde Wilson, S. D. McMahon, Tom Hudson, of Anson, former sheriff of this county, and Bill Johnson, of Eunice, New Mexico, former City Marshal of Hamlin.

Out-of-town friends attending the funeral besides Bill Johnson and Tom Hudson, were Judge Lindsey of Anson, and Mrs. Joe C. Randel and son, Clay Randel of Stamford.

Burial was in charge of the Barrow Company and interment was in East Cemetery by the side of the wife who died in 1932.

Supt. C. G. Green and Principal Gordon Bennett and wife left early Thursday for Fort Worth to attend the State Teachers Association meeting.

Holmes Webb, a Hamlin boy, now one of the teachers in the Abilene schools, was over the past week-end to visit relatives. He says, "send me the Herald"—so we shall. Holmes is making good as teacher.

THE HERALD ONE DAY EARLY

Thanksgiving Day comes one day early for most weekly papers. Thursday is the main heart of every once-a-week paper, and when one day is cut off, and that the main one, the paper is never up to standard.

Thanksgiving Day is a day, next to Christmas, in our nation. It is a time of looking around and realizing all the blessings of a harvest—good or slim, there is need to be thankful, and grateful.

In this day of wars and rumors of wars, it is befitting to give thanks for "our country 'tis of thee." The English-speaking people are home lovers, and wherever their flag waves—that is home. We Americans are thankful for the thinking minds of our people and the willingness to yield and press on for more comfort and contentment, strive for the betterment of all.

So next week we hope to give you six or ten pages of real interesting "home news." Look at your expiration dates on your paper and if you need to "push up" your time, remember we need the money to meet our bills. And say, don't forget that you can save quite a bit by taking the Herald along with your daily paper. Come in or send in your check for a daily and include just 50 cents for your "home paper—the Herald." All clubbing rates apply when your money comes to the Herald.

Dr. and Mrs. Carl Rister of Abilene, spent the week-end here with Mrs. Rister's parents, Mr. and Mrs. M. P. May. Dr. Rister, who is a teacher in Oklahoma University, is on leave of absence for the year. Some months ago he underwent a serious operation and at this time is reported to be recovering nicely.

Dr. and Mrs. C. E. Evans, President of the San Marcos State Teachers College, came up last Sunday to visit their sister, Mrs. D. M. Harris and family of the Abbie community. Dr. Evans is one of the leading school men of Texas. He is now in his 26th year as president of the San Marcos School. Dr. Evans paid the Herald office a pleasant visit. The Herald man is glad to claim his friendship.

ANSON'S COWBOY CHRISTMAS BALL

To the accompaniment of the staccato stomp of Cowboy boots and the swirl of ladies' gowns the "old bass viol, imported by stage from Abilene," as it was in the days of the ball which inspired Larry Chittenden to write the "Cowboys' Christmas Ball" will be held, relived by old times, in Anson on Thursday, Friday and Saturday nights, December 3, 4 and 5.

On Friday there will also be a chuck wagon dinner at the ball park, followed by a parade of old time conveyances at 2:00 P. M. This parade will include covered wagons, chuck wagons, buggies and etc., of a by-gone era. Several bands have also been extended invitations to be here that afternoon for a band concert.

The floor managers for the ball will include Charlie Coombs of Stamford on Friday night, Pete Thornton of Anson on Thursday night and Jinks McGee of Abilene, on the last night.

An invitation is extended to nearby communities and towns to name a "belle" and her escort. They will be admitted free on Friday night and introduced over a loud speaker equipment. A special dance is to be arranged for them also.

Hostesses for the three nights are Miss Lenora Barrett, Miss Hyberia Grace and Mrs. Gilbert Smith and Mrs. J. L. Gordon.

Tentative plans call for the broadcasting of the ball over station KRBC, according to Max Bentley, editor of the Abilene Reporter.

One of the largest crowds ever to throng Anson were here this spring to attend the ball as a part of Anson's Centennial celebrations. The east side of the square was roped off and given over to the ball. The ball in December will be held in the high school gymnasium.

AMATEUR CONTEST

Hamlin is to be represented for the first time in the Sweetwater amateur contests Saturday night when Miss Kathleen Boyd is to be heard in a vocal solo. She will be competing along with 19 other contestants for cash prizes of \$15 first, \$10 second and \$5 third.

In addition to the cash prizes, the three winners are to have the privilege of taking part in a 30-minute broadcast from Station KRBC at Abilene on December 3rd.

The contest Saturday night is the fourth and final one of a series conducted by the Sweetwater Board of City Development, the primary purpose of which has been to discover new entertainment talent in this section of West Texas and to give the winners an opportunity to be

heard over the radio.

From the twelve winners in the four contests appearing in the two radio programs from Station KRBC, four are being selected for an all-expense trip to Dallas and a 15-minute broadcast from Station WFAA. Two of these were selected early in November, A. R. Miles of Lorraine and Mrs. Jack Yarbrough, Jr. of Sweetwater, being the ones chosen. The other two are to be selected on December 3rd.

The third contest two weeks ago attracted a near capacity audience to the Sweetwater auditorium and the final one this Saturday night is expected to fill the large building to overflowing.

Tickets to the contest are given to non-residents of Sweetwater by more than 30 business concerns in the Nolan county city, who are co-operating with the Board of City Development in making the contests and prizes possible. Some twenty con-

testing numbers are to be heard on the program Saturday night, which begins promptly at 7:30 with doors opening at 6:45.

Some people overwork themselves doing nothing.

A full-grown sinner is one who hopes God will punish his enemies. An excuse is no reason for not doing what you should.

To be jealous of another is an admission that you think he is smarter than you are.

CLUB NOTES

"I have found a use for discarded felt hats and tams when I made a hat rack for my closet," said Ouida Johnston of the Eskota 4-H Girls' Club. She carved the stand, which is 9 inches high, of scrap lumber and painted it in cream colored enamel to match the wood work of her clothes closet. Next, she stuffed the top of the rack with cotton and covered the upper half of the crown of a thin felt hat. Then the hat rack was completed by pasting the felt from a cream colored tam on the bottom of it to prevent it from scratching polished wood.

Covers will remain clean much longer if protectors are used. In order to apply this, Corrine Akin, of the McCauley 4-H Girls' club, made a comfort protector of two and one-half 48-pound flour sacks. Since the sacks had lettering, she boiled them in soapy water and then bleached them in the sun for two days. After this they were perfectly white and ready for use.

"I have earned \$35.00 through selling vegetables from my garden and by working for my neighbors," said Obyron Greene of the Capitola Girls' 4-H Club. Her sister, Winnie Fae, has earned \$25.00 in the same manner. Part of this money has been spent in improving their bedroom. A mattress, bed spread, shoe rack, hat rack, cover protectors, cushion, dresser scarf and 4 towels were made and added to the rooms by the girls.

Each of the fifteen cooperators of the Capitola Girls' 4-H Club, which is sponsored by Miss Leila Webb, has completed all of the goals for 1936. The goals in the Bedroom Demonstration were to:

1. Procure devices for raising windows.
2. Add protector for comfort.
3. Make two face towels.
4. Make a chair cushion.

Those in the Garden Demonstration were to:

1. Plan "other vegetable" phase of the family garden.
2. Provide 100 feet of "other vegetables."
3. Prepare "other vegetables" at least six times during the year.

FIRST TENANTS HELD

TO FARM OWNERSHIP

T. H. Scharff family, first of 200 in Texas to be accepted by the Resettlement Administration for its "farm tenant security project." The Scharffs are being helped to buy a farm in Grayson County with annual installments no greater than they were paying as rent on the same farm. In addition, the farm is to be terraced and fenced, a new house to be built with modern conveniences, surrounded by trees and shrubs. This is made possible by three per cent interest and forty years in which to pay. Extension of this plan to a large per cent of tenant farmers would be provided under the Bankhead Jones Farm Tenancy Bill, scheduled for action at the coming session of Congress.

SURPRISE BIRTHDAY

LUNCHEON HONORING

MISS PAULINE SHELTON

Mrs. Norman F. Anderson and Miss Lou Dan Stephens entertained in the spacious home of Mr. and Mrs. Dan W. Stephens, on Hope Avenue, Tuesday at 6 o'clock complimenting their niece, Miss Pauline Shelton, with a surprise luncheon on her 15th birthday.

Red rose chrysanthemums decorated the entertaining rooms.

Quartet tables were laid in Strathmore Linens and centered with red vases of the same lovely blossoms. Thanksgiving tallies gave places at the tables and the same motif was carried throughout the delicious four course luncheon.

Those enjoying the happy occasion with Miss Pauline were Misses Clara Louise Shelburne, Floy Hudson, Anna Mae Calhoun, Eva Louise Fowler, Dorothy Fay Elkins, Louise

Durham, Willie Fay Hunter, Jemie Lee Fullen, Virginia Sue Flowers, Frances Murphy, Virginia Wells, Loleta Ubben, Myrtle Doby, Wanda Sebastain, Bernice Allen, Lelona Longino, Bobbie Ann Stephens, Etta Scott and Mrs. Burt Rushing.

GOV. ALLRED ENDORSES

CHRISTMAS SEAL SALE

Texas' first citizen, Governor James V. Allred, endorsed the 30th annual Christmas Seal sale to fight tuberculosis in a statement to all Texas citizens as Christmas Seals went on sale, Nov. 26, throughout the nation.

Governor Allred said, "The declining death rate from tuberculosis is ample demonstration that the state and national tuberculosis associations are accomplishing their purposes. Texas has been generous in contributing to the Texas Tuberculosis Association by the purchase of Christmas Seals each year. The thirtieth such sale in the nation presents a challenge to good citizens everywhere. As your Governor, I earnestly hope that the citizens of Texas will contribute to this cause this year to the limit that their means will permit."

Texans who purchase Christmas Seals this year will assist their state and local tuberculosis associations in a concerted drive planned for 1937 to reach more people between the ages of 15 and 45, where tuberculosis is still the leading cause of death, with those methods of diagnosis, prevention and cure which have reduced the death rate from tuberculosis more than two-thirds in the past thirty years.
